## Needs Your Help

Saskia is a beautiful, energetic, 9 month old Great Dane that has had a very rough start to her life. She has a severe fracture to her left front leg at the elbow that healed badly which the vets call a non-union. She needs surgery to have any chance of a pain free “normal” existence. Please help her...

As part of our mission, RMGDRI firmly believes that it is our responsibility to do all that we can for every Dane that comes into our haven, into our care. Even with the Rescue’s discount, the cost of her surgery and follow-up care will be between \$3000—\$4000. Please go to our web site and click on Donate to help with Saskia’s medical expenses. In the Comment box, put “For Saskia’s Medical Expense”. Your donation is tax deductible and greatly appreciated.
